

A European Expedition - fact sheet

Europe has been the home to some of the Earth's greatest civilizations from Ancient Greece to the Roman Empire. It is also the home to the birth of democracy. Europe has been the central point of two of the biggest wars in modern history: World War I and World War II.

Europe is the second smallest continent in size and the third largest in population. It is bordered by the Mediterranean Sea to the south, Asia to the east, and the Atlantic Ocean to the West. Europe is a wealthy continent and is the centre of the West and Western Democracy.
