

Holy God

We come to worship you

Help us to be calm and still

Let us feel your love around us

Let us hear your voice within us

Fill us with peace, hope and joy

As we come to worship you

Our God

Amen

I will light the light in the name of
the Maker, who lit the world and
breathed a breath of love for me.

I will light the light in the name of
the Son, who saved the world and
stretched out His hand for me.

I will light the light in the name of
the Spirit, who encircles the world
and fills my soul with longing.

Amen
